

Thinking about honoring your loved one...

TREE TRIBUTE

The tree will be labeled with our standard display label.

The first line indicates the botanical name of the tree.

The second line is for the common name.

The third line is for the geographical distribution of the tree.

The fourth and fifth lines are available for your dedication.

Each line in the dedication can contain up to 14 letters per line.

The trees are selected from our existing collection.

MEMORIAL BENCH

Our teak benches include a brass plaque to be engraved with the name of your friend or family member and a personal message.

There are many great vistas for benches to be enjoyed by everyone.

You are welcome to suggest garden areas of interest.

Please call us to arrange for an appointment to learn more about the Arboretum's Memorial Bench or Tree Tribute Program at 626.821.3237.

301 North Baldwin Avenue Arcadia, CA 91007
