

Transportation Grant Application 2023-2024

The Los Angeles County Arboretum & Botanic Garden is happy to be able to award a limited number of grants to Title 1 schools to help pay for transportation to The Arboretum. Teachers from Title 1 schools in the Los Angeles area are eligible to apply. Applicants are considered on a strict first come, first serve basis. To ensure our funding is used as wisely as possible, only applicants that fill buses at least 75% full will be considered. Typical school buses have 24 seats, and can comfortably fit 3 students to a seat, allowing for at least 60 students to fit along with chaperones. Excess chaperones may need to drive to the Arboretum separately in some cases. If selected, the Arboretum does not provide the bus, only the funding. Schools are required to book their own buses, and the Arboretum reimburses the cost. If accepted, field trip reservations must be booked online.

**SCHOOL MUST BE ON THE LIST OF MOA-APPROVED DISTRICTS ON OUR WEBSITE.
